ASHSTONE

Ashstone Exports Ltd is a dynamic Nigerian export company founded to promote Africa's natural commodities on the world stage. Headquartered in Ogudu GRA Phase 2, Lagos, our core strength lies in responsibly sourcing and exporting high-demand goods from across Nigeria. Led by Kayode Adebayo, our company focuses on supplying premium agro-commodities and mineral resources to international buyers. Our leading products include premium hardwood charcoal, sesame seeds, raw cashew nuts, dried ginger, bitter kola, zinc and lead ores, bituminous coal, petroleum coke, and lithium ore—commodities essential to food, energy, industrial, and pharmaceutical sectors. We believe in building trust through quality and service. Every shipment from Ashstone undergoes rigorous inspection and is exported in compliance with global standards.
